EL KABRON

TAPAS & PINTXOS BAR

BY LA BANDERA

El Kabron is La Bandera's younger rebel sister, the one your mamá warned you about. Chill vibes, serious food. Order 3-4 tapas each; they'll come out fresh and hot, never rushed. If your waiter slips into siesta mode, just pop over to the bar to order, no stress, we're family here. Now relax... this is Spain: flavour, attitude, and plenty of fun. Enjoy the beautiful chaos of tapas. Be Tapas, my friend.
